How Does Implicit Bias Affect Teaching?

Darin Latimore, MD
Yale School of Medicine
Deputy Dean for Diversity & Inclusion
Chief Diversity Officer
Dean’s Advisory Council for LGBTQI Affairs

Kali D. Cyrus, MD, MPH
Yale School of Medicine
Assistant Professor of Psychiatry
Teaching and Learning Center
SP Program Director

Learning Objectives:

- Compare the meaning of unconscious bias with associated terms such as prejudice, stereotype, and discrimination
- Identify how unconscious thinking processes, like bias, can impact students’ experience of the curriculum
- Apply five new strategies for mitigating unconscious bias

RSVP: dorothy.debernardo@yale.edu

Darin Latimore, MD and Kali D. Cyrus, MD, MPH have no conflicts of interest to disclose. Janet Hafler, EdD, Course Director, has no conflicts of interest to disclose. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
